

QuickStand[®]

Under Desk

Photo Location: UHURU DESIGN

Humanscale[®]

QuickStand® Under Desk allows users to seamlessly alternate between sitting and standing postures without interrupting workflow. The continuous force mechanism is enclosed within a central column beneath the desk surface, so views are unobstructed in the sit position. Offering effortless functionality and a sleek, modern design, QuickStand Under Desk is an understated workspace wellness solution that blends into any environment.

with M8 Monitor Arm*

Advantages of QuickStand Under Desk - The Next Generation in Sit/Stand

- Merges ergonomics with height-adjustable functionality
- Designed with minimal, clean aesthetic
- Free of Red List Chemicals
- Complements any space: home or corporate offices, collaborative or hot-desking spaces, check-in areas and more

Design Story

Constantly working to develop products that support the needs of the modern workplace, Humanscale Design Studio re-imagined the original QuickStand to provide a more minimalist sit/stand solution — without compromising our award-winning design and industry-leading functionality.

QuickStand Under Desk
with M8 Monitor Arm

Features

- Main assembly holds single and dual monitors up to max total weight of 35 lbs.
- Designed to accommodate users of varying heights with 18" of work surface adjustment
- Effortless functionality encourages more movement and allows user to move from sitting to standing instantly
- Minimal footprint allows for more use of the desktop area
- Provides built-in cable management
- Compatible with OfficelQ — Humanscale's innovative sit/stand alert software
- Compatible with Humanscale's best-selling line of M2, M8 and M/Flex monitor arms.
*Monitor arms are not included and may be ordered separately. QuickStand Under Desk may also be retrofitted to existing monitor arms.

Environmental Story

Humanscale was the first company to have products that meet the stringent Living Product Challenge criteria and we are leading the industry in embracing Health Product Declarations. A Declare label is available for QuickStand Under Desk to clearly disclose all of its ingredients and encourage material transparency.
