Humanscale

M/Connect 3

Suite of USB Power and Data Solutions

Designed to match the varying technological needs of today's workspaces, M/Connect 3 is a three-pronged solution to data and power connectivity.

M/Connect 3 is a centralized hub for connecting data and power to laptops and handheld devices. A vital tool for the agile and technological needs of today, M/Connect 3 improves access to essential ports while reducing cable clutter. Its modular design allows it to not only be easily serviced when needed, but seamlessly upgraded to match rapidly evolving trends.

Available in three models:

M/Power Charging Hub
Power Made Easy

- Charging Station (Power Only)

- Compatible with USB-C and USB-A handheld devices

- Features 5 USB Ports including two dedicated for high-speed charging

USB Data Hub
Accessible Power and Data

- Purpose built for USB Hub Monitors to provide USB connectivity and Power for Accessories

- Features 5 USB Ports including two dedicated for high-speed charging
Pro Dock
Your Complete Power and Data Hub

- Pro-grade DP Alt Mode Docking Station

- Split Dock Technology keeps essential ports above the worksurface while fixed and additional connections are located beneath

- Features 8 USB Ports: 5 above work-surface, including two for high-speed charging, and 3 underneath for fixed connections.

Humanscale

Features

- Small profile takes up minimal space, increasing usable area on the worksurface

- Essential ports are accessible on the worksurface

- Includes two ports exclusively for high-speed charging

- Single Upstream cable USB-C cable connect and enables laptop charging (Pro Dock only)

- No Drivers Needed, simply plug and play (with DP Alt mode compatible laptop)

- Pro Dock models supports up to two 4K displays or one 5k display

- Designed to integrate into Humanscale monitor arms or as a stand-alone solution
- Limited 3- Year Warranty

Available in 3 color options

White   Gray   Black

Modular Design

Allows it not only to be easily serviced when needed, but also upgraded to match rapidly evolving trends
